flexeserve **Zone**[®]
true hot-holding | flexible merchandising

2 Tier Rack

Increase your capacity by 50% and present products in the best way using the 2 tier rack

Condiment Baskets

The ideal way to offer impulse add-on sales of jams, honey, sauces and dressings to complement your hot products. Simply hook onto the shelf in front of your porridge, breakfast sandwiches, fries and more.

Angled Merchandising Insert

Angle products towards the customer's view to showcase colourful foods and create more visual impact.

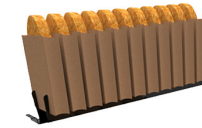

Dividers

Use the handy dividers to separate different foods on the angled merchandising insert.

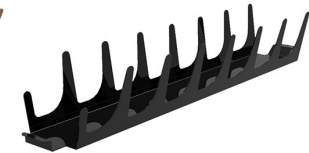

Merchandising Rack - Narrow

Present your hash browns, pizza slices, flatbreads and more in the perfect way for visual impact, whilst at the same time increasing capacity.

Merchandising Rack - Standard

Perfect for displaying breakfast sandwiches, paninis, wraps and burritos. Double your product volume and improve visibility with one accessory.

Merchandising tray

Merchandise your products back-of-house for an efficient way of filling Flexeserve Zone®. Merchandising racks easily click into the trays for a safe way of transporting to front-of-house. Trays can also slot into the angled merchandising insert for improved product visibility.

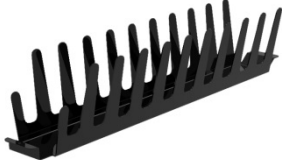

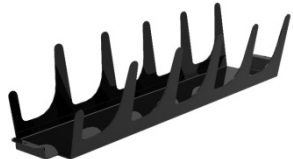

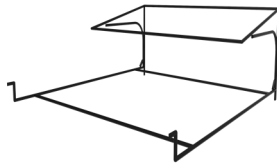

Fan Guard

Protect the fan plate from being blocked by food packaging and maintain full air flow.
